<b>Jesha Donaldson Miller</b> <b>We The People of the United States</b>  <b>v.</b>  <b>United States of America</b> <b>Major General Sherrie McCandless</b> <b>Governor Kathy Hochul</b>	* * * * * * * * *	<b>Judge Victoria A. Roberts</b>  <b>Publicly Acknowledge</b> <b>Constitution's checks</b> <b>and Balances Friday</b> <b>November 19, 2021</b> <b>Clerk: Time Sensitive Rush to Judge</b> <b>Case No. 3:20-cv-149-RLY-MPB</b>
---	---	--

**Comes NOW, Petitioner Jesha Miller, empowered by the Constitution's checks & balances which empowers the citizen due to government corruption in defiance of the Constitution. This is petitioned before President Joe Biden who has concealed the checks & balances from the public. [ See Exhibit A ]**

**I, Veteran Jesha Miller have petitioned the checks & balances because the entire Judicial Branch of government is corrupt refusing to honor the Constitution's checks & balances which are an essential part of the Constitution being absolutely necessary to uphold the integrity and EXTREMELY IMPORTANT to secure the guaranteed rights of the Constitution.**

**President Joe Biden, was Petitioned using the checks & balances which he has concealed from the public receiving it by certified mail # 7019 1120 0001 1397 4691 February 9, 3:41 am. 2021. The checks & balances are petitioned when the entire Branch of government is corrupt. The US Supreme Court imposed slavery in case No. 04-7377. Government powers are limited and the US Supreme Court went beyond those limits violating Article I, sec. 9 - Powers denied government, the Habeas Corpus intended to secure the right to freedom when a citizen is held in violation of the Constitution & Laws of the United States. With the US Supreme Court corrupt then the entire Branch of government is corrupt in an appellate court system. They also violate the Statutory Prohibition pursuant to Title 18 sec. 243.**

**When a man is brought by habeas corpus to the U.S. Supreme Court & upon review of it, it appears to the Court he was against law imprisoned & detained, he shall never be by act of the Supreme Court, left in the unlawul imprisonment, or then the U.S. Supreme Court does an act of injustice in imprisoning him, de nova, AGAINST THE LAW. { This Demonstrates the United States Supreme Court's own refusal to the Constitution's demands to deprive a Black man the right to freedom. } This is irrefutable evidence impossible to deny or disprove the entire Judicial Branch is corrupt and the Constitution's checks & balances are justified. [ See policebrutalitysolution.blogspot.com - President Bidens hands tied to affirm President Biden has concealed the checks & balances which are mandatory by law in obstruction of justice. Title 18 - 1503 - defines obstruction of justice as an act that corruptly, or by threats or force, or by any threatening letter or communication, influences, obstructs, or impedes, or endeavors to influence, obstruct, or impede, the due administration of justice.**

1 of 3 2 exhibits

[ When the entire Branch of government is corrupt the checks & balances are the due administration of justice requiring the Judicial Branch be checked or abuse of power & corruption. The checks & balances are mandatory by law to uphold the integrity by having that Branch checked. Same as Watergate, this is major, this demands the biggest stage, this mandatory by law. ]

#### TRANSPARENCY

Transparent government means that government officials act openly. President Biden conceals the checks & balances preventing the proper administration of justice. Law Enforcement are unaware there is a transfer of power to the citizen to uphold the integrity of the Constitution requiring the Judicial Branch be checked for corruption & abuse of power. [ They cannot continue taking ORDERS as usual when Officials are corrupt. The Framers of the Constitution therefore empower the citizen or a showdown between governments best man and me, Jesha Miller, petitioner of the checks & balances. Janet Yellen owes me, Jesha Miller 6.75 billion dollars for continued oppression, a criminal act under Title 18 sec. 241 - conspiracy to deny rights & oppress. This all has been concealed from the public, a criminal act pursuant to Title 18 sec. 1001 - whoever in any manner within the jurisdiction of the executive, legislative, or judicial branch of government knowingly & willfully - conceals, or covers up by any trick, scheme, a device a material FACT, shall be fined under this Title, imprisoned not more than 5 years, etc.,

Wherefore, being empowered by the Constitution's checks & balances which empowers the citizen due to government disobedience to the Constitution's checks & balances requiring the Judicial Branch be checked for corruption which the media has concealed from the public & Congress, you, Judge Victoria A. Roberts are ORDERED with all due respect to call a press conference tomorrow, November 19, 2021 informing the public & Congress the checks & balances are petitioned by Veteran Jesha Miller which government must address publicly to uphold the integrity of the government. The checks & balances call for a showdown between Veteran Jesha Miller & US Attorney General to prove before a candid world the Judicial Branch of government is corrupt and abused it's power beyond the limits as government power is limited. This takes precedence over all matters to uphold the integrity of the Constitution. No integrity means no credibility which is no trust or belief. The law is therefore of no effect or power to enforce. [ See [policebrutalitysolution.blogspot.com](http://policebrutalitysolution.blogspot.com) - Congress hold President Biden accountable ]

This must prompt President Joseph Biden to publicly address the checks & balances which he is obligatory to by oath to preserve, protect, and defend the Constitution, in this case the checks & balances which are mandatory by law of which he fails to concede to the Supreme Law of the land.

Reference to: 1 Immediately address the Constitution's checks & balances Petitioned by Veteran Jesha Miller which are an essential part of the Constitution mandatory by law. Essential meaning absolutely necessary, EXTREMELY IMPORTANT.

[ See [trumphonorchecksbalances4integrity.blogspot.com](http://trumphonorchecksbalances4integrity.blogspot.com) as FACT you inherit this which President Donal Trump evaded.]

2 PUBLICLY ACKNOWLEDGE I, Jesha Miller as the Petitioner of the Constitution's checks & balances I'm empowered to uphold the integrity of the Constitution having irrefutable evidence the entire Judicial Branch of government is corrupt.

3 IMMEDIATELY ORDER the TREASURY to disburse 3.141 Billion dollars owed Jesha Miller for a miscarriage of Justice imposing slavery on Veteran Jesha Miller prohibited by the 13th & 14th Amendments.. This is the rule of law of which you are obligated to both morally & by law..[ See [youtu.be/rFwK1SrnfY](https://youtu.be/rFwK1SrnfY) 3.141 billion dollars owed Jesha Miller / checks & balances Filed in Federal Court January 28, 2021 to be immediately addressed by President Joe Biden publicly by February , 2021. Case No. 3:20-cv-149-RLY-MPB OFFICIALS ORDERED TO CONCEDE TO THE CHECKS & BALANCES.

### CONSTITUTION'S CHECKS & BALANCES

DATE PETITIONED JANUARY 28, 2021

**Taking oath of office you swore to Preserve, Protect, & defend the Constitution of which you are called upon to do as the First Order of business immediately by February 5th, 2021 defending the checks & balances which are an essential part of the Constitution absolutely necessary to uphold the integrity of the Constitution being Extremely important to secure the rights of "we the people" due to corruption & abuse of power by officials acting in defiance of the Constitution. This you inherited as the newly elected President of the United States of which there are no option's because this is mandatory by law. Refusal is obstruction of Justice because the checks & balances hold officials accountable for abuse of power, secures the rights of "we the people", & upholds the integrity of the Constitution by checking that Branch Petitioned by the citizen.**

[ See [wethepeoplewantintegrity.blogspot.com](http://wethepeoplewantintegrity.blogspot.com) as FACT this was Petitioned to President Trump whom evaded checks & balances. Also see [trumphonorchecksbalances4integrity.blogspot.com](http://trumphonorchecksbalances4integrity.blogspot.com) as Fact of obstruction of Justice by Donald Trump evading the checks & balances which are crucial to implementing freedom, justice, & equality in America. Otherwise officials are complicit, meaning involved with others in an illegal activity such as White Supremacy, oppression, & organized crime with no one to hold them accountable as former President Trump did in evading the checks & balances resulting in the people storming the White House because of corrupt officials feeling they should take over the government. ]

### TRANSFER OF POWER

**The checks & balances empower the citizen to uphold the integrity of the Constitution giving me, Jesha Miller the authority or power to give ORDERS, make decisions, & enforce obedience to the Constitution checks & balances**

requiring the Judicial & Legislative Branch to be checked for corruption & abuse of power. [ Originally intended the Legislative checks the Judicial who checks the Executive who checks the Legislative but in this case no Branch checked the other because they are all corrupt, thus the checks & balances empowers the citizen and being the Petitioner I'm the citizen empowered by the checks & balances. Otherwise there's no one to uphold the integrity of the Constitution. ] As President, acknowledge publicly I'm empowered to uphold the integrity of the Constitution so that Law Enforcement can execute the indictments for their arrest this February 4th, 2021 as well as an invitation to the White House to address your defending the Constitution's checks & balances.

The FBI, Sheriffs Department, & both Local & State Police will all be called upon to execute the indictments by arresting all involved in cahoots to prevent the checks & balances taking over government mostly reverting to the Maryland doctrine of exclusion to keep Blacks, Hispanics, & ethnic groups subordinate. [ I am sending indictments for Law Enforcement to execute arrest now & all who refuse must be removed from office. Because this is unprecedented meaning never done before it is a part of the Constitution & their disobedience allows a take over of absolute power with no one to hold them accountable. Example is the US Attorney's indicted for not holding crooked judges accountable for denying the 1st amendment right to freedom of the press to conceal the Judicial Branch abuse of power online at [warningto.blogspot.com](http://warningto.blogspot.com). ] Facts do not cease to exist because they are ignored.

#### **TREASURY DISBURSE 3.141 BILLION DOLLARS & COUNTING**

The U.S. Treasury is ORDERED to immediately disburse 3.141 billion dollars and counting to Veteran Jesha Miller for the Judicial Branch violating the 13th & 14th Amendments to impose slavery prohibited by the 13th amendment. The miscarriage of Justice, a malicious act by the U.S. Supreme Court demonstrating total disregard to the demands of the Constitutional right to freedom for not only Blacks but all people. [ See [youtu.be/rFwK1SrnfY](https://youtu.be/rFwK1SrnfY) 3.141 Billion owed Jesha Miller / set appointment 9-20-2019 / checks & balances // No date was set so they had NO INTENTIONS TO PAY WHAT IS OWED BY THE RULE OF LAW, A VIOLATION OF HUMAN RIGHTS. Oppression of a people requires immediate restitution of which the TREASURY IS ORDERED by Jesha Miller to pay in full this February 4, 2021 as I'm empowered by the checks & balances to immediately stop continued oppression. Title 18 sec. 241- If two or more persons conspire to injure, oppress, threaten, or intimidate any person in any State, Territory, Commonwealth, Possession, or District in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same; [ Having exercised this right, Secretary of the Treasury Steven Mnuchin & Deputy Secretary of the Treasury Justin Muzinich both conspired to injury me by oppression refusing to pay money owed by the rule of law. See

**youtu.be/RB5jYnvHLUQ Secretary of Treasury - Steven Mnuchin pay Jesha Miller 145 million dollars. ]**

**The buck stops with the President to secure the guaranteed rights of the Constitution which is now you, President Joe Biden to ORDER the Treasury to disburse money owed by the rule of law to Jesha Miller for the miscarriage of Justice imposing slavery prohibited by the 13th amendment to a Veteran no less who served to protect the right to freedom FOR ALL AMERICANS. [ This is how you treat a black man. ] President Trump was obligated, meaning to bind or compel someone, especially legally or morally to pay 145 million dollars for the Judicial Branch imposing slavery prohibited by the Constitution of which he refused to do in defiance of the law. Continued oppression escalated this to 3.141 billion dollars owing 5 million dollars penalty for each day the Treasury fails t pay so this is a result of former President Donald Trump's racism refusing to pay a black man that the amount reached a billion dollars. That's interest & penalty for refusing to pay when government collects over 3 trillion dollars a year from tax payers. [ You President Joe Biden are now obligated to pay the debt for the miscarriage of the Judicial Branch imposing slavery immediately. The word obligate is a verb, an action word, to immediately pay Jesha Miller 6.085 billion dollars due to continued oppression by President Trump, IRS Commissioner Charles P. Rettig, Steven Mnuchin, & Justin Muzinich as well as Federal Judge Richard Young who could have paid 50 million dollars. Guarantee meaning the responsibility for the debt, default, or MISCARRIAGE of JUSTICE. ORDER the TREASURY to pay the 6.085 billion in full this February , 2021 because oppression of a people requires immediate restitution & oppression by government cutting off all money creating a life threatening hardship in a capitalistic society where everything cost money & there is already a pandemic. By the rule of law this is owed & your campaign was run on enforcing the law for equality. ] Facts do not cease to exist because they are ignored.**

**[ SPECIAL NOTE: Because mail takes a week and two weeks for checking for anthrax before it reaches you this Petition using the checks & balances will be also faxed from Congressman Larry Bucshon office to take to the floor of the House to immediately disburse the money by Brink truck to Jesha D. Miller to stop continued oppression immediately. Immediately meaning at once, instantly, without any intervening time or space paying the 6.085 billion dollars to Veteran Jesha D. Miller this February 5, 2021. ] Government cannot oppress the people of which was done to Veteran Jesha Miller whom is now empowered to hold officials accountable for neglecting & evading the Constitution's checks &**

balances in an act to take absolute power to do whatever they want. This is the rule of law. ]

President Donald Trump was Petitioned, calling for 5 million dollars a day penalty from 9-29-2017 to this January 28, 2021 is 1,217 days times 5 million dollars a day penalty equals to 6 billion, 85 million dollars to be paid immediately due to continued oppression, a criminal act by officials under Title 18 sec. 241.

## TRANSPARENCY

In politics, transparency is used as a means of holding public officials accountable & fighting corruption. [ As President, you Joe Biden are to call a National Press conference informing the Public & Congress concerning the Checks & Balances due to corruption in the entire Judicial Branch & that I, Jeshia Miller have a status quo politically empowered by the checks & balances as the Petitioner & socially with a net worth owed immediately by the Treasury of 6.085 billion dollars due to continued oppression violating Title 18 sec. 241 - Conspiracy against rights / oppression. Do this February 5, 2021. ]

Transparency is a fundamental element of abolishing corruption. Transparent governance is important to local governments and the communities they serve because corruption threatens the good governance, leads to the misallocation of resources, harms public & private sector development, & distorts public policy.

[ Governor Eric Holcolm was Ordered to inform the public of the checks & balances but refused, Representative Larry Bucshon & Senator Todd Young refused to take the checks & balances to the Floor of the House & Senate concealing corruption, & CBS President Susan Zirinsky concealed the checks & balances disrespecting my being empowered by the checks & balances to conceal government corruption & David Jones, County Attorney of Vanderburgh County prevented the checks & balances when Lt. Matthew Corn called on his advice to honor my being empowered to arrest local media concealing the checks & balances being Celeste King, Blaine Fentress, & Bob Freeman of News channels 14, 44, & 25. All violate Title 18 sec. 1001 - Except as otherwise provided in this section, whoever, in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully— falsifies, conceals, or covers up by any trick, scheme, or device a material fact; [ Media violate the first amendment right to freedom of the press as well as aiding & abetting criminals from justice while officials conceal this from the public. Federal Judges Richard Young, Magistrate Matthew P. Brookman, & Tanya Pratt all deny freedom of the press to conceal

the Judicial Branch own abuse of power, oppression & organized crime. See [warningto.blogspot.com](http://warningto.blogspot.com). ]

## **COMPLICIT ACTIVITY TO TAKE OVER ABSOLUTE POWER**

Complicit means - involved with others in an illegal activity or wrongdoing whereas all of the above mentioned people are complicit reverting back to the Maryland Doctrine to keep Blacks oppressed by preventing the Constitution's checks & balances which are mandatory by law, which are absolutely necessary to uphold the integrity of the Constitution, which I'm empowered by the Supreme Law of the land to stop Police Brutality, inequality, & Social injustice as well as oppression preventing me from being one of the seven black billionaires in America which include David Steward, Jay Z, Kanye West, Michael Jordan, Oprah Winfrey, Robert F Smith, and Tyler Perry. This money is owed to Veteran Jesha Miller by the rule of Law. [ Again see [youtu.be/rFwK1SrnfsY](https://youtu.be/rFwK1SrnfsY) 3.141 Billion owed Jesha Miller / U.S. Treasury set appointment 9-20-2019 to pay /// this they never did to continue oppression which at this date is 6.085 billion dollars. ]

Maryland document of exclusion. The Council for the Maryland Colony edict stated: "Neither the existing black population, their descendents, nor any other blacks shall be permitted to enjoy the fruits of White society." The doctrine was written to insure that Blacks would remain a "subordinate, non-competitive, non-compensated workforce," this public edict later became more commonly known as "The Doctrine of Exclusion." Around the mid-1660's, various colonies picked up the Maryland Edict or the Doctrine of Exclusion and expanded it into enslavement laws of people of African descent. Once established, the laws became the basis for a national public policy on the exploitation of Blacks that was passed on from generation to generation through social customs and public laws.

The Slave Codes of 1705 required all individuals, churches, businesses, organizations, schools, and all levels of government to teach, justify and enforce the status of Blacks as "a subordinate, excluded, noncompetitive, non-compensated, managed work force for the personal comfort and wealth building of White society." This public policy remained in effect until the late 1960s.

**This includes U.S. Attorney Josh Minkler whom covered for Federal Judge Richard Young & Magistrate Matthew P. Brookman who denied the 1st amendment to freedom of the press again preventing the checks & balances, TJX President & CEO Ernie Herrman whom allowed me to be layed off on leave of absence without pay & later fired me because I could not breathe in the mask. Governor Eric Holcomb who refused to expedite my unemployment of which I have not been paid since September 8, 2020. U.S. Attorney Thomas L. Kirsch II who also concealed the**

checks & balances, refused to call a press conference to conceal the checks & balances which are mandatory by law which is part of evidence for organized crime filed in Federal Court under case number 3:20-cv-149-RLY-MPB. The entire U.S. Supreme Court refused to concede to the Checks & Balances as seen on [youtu.be/2nBC8hf2Pv0](https://youtu.be/2nBC8hf2Pv0) U.S. Supreme Court corrupt requires checks & balances. This proves beyond a shadow of a doubt the Judicial Branch is corrupt when the U.S. Supreme Court itself refuses to be checked for abuse of power and as irrefutable evidence the U.S. Supreme Court twice denied the Habeas Corpus which is a power denied government under Article I, section 9 of the Constitution to secure the right to freedom. That's the law of which the U.S. Supreme Court violated denying the right to freedom. Case No. 04-7377. FBI Director Christopher Wray concealed the checks & balances after lying to the public on TV, see [youtu.be/ChnDABXz0pl](https://youtu.be/ChnDABXz0pl) Jesha Miller Empowered to stop Police Brutality & [policebrutalitysolution.blogspot.com](https://policebrutalitysolution.blogspot.com). Congress & President Donald Trump knew I was empowered to stop police brutality using the checks & balances & concealed this from the public as well as the media. Next, knowing the government was corrupt & concealed from the public the White House was taken over, yet the public didn't know that even they were corrupt which included Nancy Pelosi whom concealed the checks & balances not to be held accountable. [ See [youtu.be/n2ynH1srCnA&t](https://youtu.be/n2ynH1srCnA&t) List of indictments include Nancy Pelosi concealing checks & balances. Also there's a recent email for her to inform the public of the checks & balances which she & Senator Mitch McConnell continue to conceal the checks & balances to take absolute power & continue oppression knowing I have the authority to give ORDERS to uphold the integrity of the Constitution. ] This as the newly elected President must be addressed publicly. A government of the people, by the people, & for the people, the Framers of the Constitution empowered the citizen & this is to be proven before a candid world as stated in the Declaration of Independence, It's SHOW TIME. The U.S. Marshal Service refused to carry out the indictments

#### HARDSHIP

I'm a Veteran of the Vietnam Era serving to protect the right to freedom, justice, & equality in America & my own freedom was taken in violation of the Constitution & Law of the U.S. The Maryland Doctrine of exclusion implemented they have cut off all money taking my job, cutting off my social security, & with no money my health & life are now threatened by getting diabetes. My tabs to check the sugar ran out so my life is in peril. I received an eviction

notice, my car note is due, food nearly out & being diabetic there are only certain foods I can eat. The VA have sent the glucose tabs but have not arrived yet & we all know diabetes is a silent killer which can strike at any time. Oppression when by law when I'm a billionaire I should have money to buy medical needs at CVS. My niece needs a new car, my whole family should be financially secure so the suffering extends way past me & then there's the pandemic of which my money helps people really in need that government has no concern for. Banks I can provide with money for those who otherwise can't get any where. At this moment Spectrum just called twice, Vectren threatened to cut off the electricity and the temperature was 18 degrees this morning. The FBI has refused to pay the money owed with a duty to protect civil rights & the IRS Commissioner has not paid the 3.141 billion dollars so by law I am ORDERING you pay or contact me immediately to pay the 6.085 billion by February 5, 2021 & provide a black card tomorrow to pay bills & buy medical needs until then because I need medical dentistry immediately also.

**PRESIDENT JOE BIDEN delay prevents the checks & balances which is corruption, refusal to uphold the integrity requires immediate impeachment.**

**The checks & balances are an essential part of the Constitution meaning absolutely necessary, extremely important, crucial, necessary, key, vital, indispensable, required, and mandatory by law. This takes precedence over all matters upon which Congress is ORDERED to immediately hold President Joe Biden accountable for evading the checks & balances which he received February 9, 2021 certified mail # 7019 1120 0001 1397 4691. Two months ago.**

**Rights delayed are rights denied. President Joe Biden delay continues oppression owing Veteran Jesha Miller 6 billion dollars for imposed slavery, prohibited and therefore owed for the miscarriage of justice & violating the 14th amendment right to due process. Delay deprives the people of justice by the entire Judicial Branch being corrupt. Delay deprives the people as I'm Empowered to stop inequity meaning lack of fairness or JUSTICE, Stop Police Brutality for humanity sake & stop social injustice having equal effective legal, industrial, and political rights. Delayed by President Biden are the humanitarian rights that stop Police Brutality, inequality, & social injustice. [ See Jesha Miller empowered to stop police brutality, google or youtube.**

**Involved is continued oppression, a crime under Title 18 sec. 241 - Conspiracy against rights - If two or more persons conspire to injure, oppress, threaten, or intimidate any person in any state, in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or Laws of the United States shall be fined under this Title or imprisoned for not more than ten years or both.**

**Congress must immediately hold President Joe Biden accountable for the Constitution's checks & balances which requires the Judicial Branch be checked for corruption & abuse of power & immediately ORDER Secretary Janet Yellen to disburse 6.085 billion dollars and counting for the Judicial Branch imposing slavery upon a Black Veteran who served to protect the right to freedom, justice, & equality. There is NO JUSTICE ALLOWING THE JUDICIAL BRANCH TO BE CORRUPT & DENYING THE GUARANTEED RIGHTS OF THE CONSTITUTION. THE CHECKS & BALANCES IS HOW YOU GET JUSTICE.**

**OPPRESS meaning keep someone in subservience and hardship, especially by the unjust exercise of authority.**

**Secretary of the Treasury - Janet Yellen is ordered to immediately disburse to Veteran Jesha Miller 6.085 billion dollars for the Judicial Branch imposing slavery prohibited by the 13th & 14th amendments this April 9, 2021 to stop continued oppression under Title 18 sec. 241. Otherwise its government oppression, meaning prolonged cruel or unjust treatment or control. You, Janet Yellen are therefore ORDERED by Jesha Miller to pay the money owed by the rule of law this April 8, 2021 to stop continued oppression. By law I'm a Billionaire but due to government control I'm at the mercy of which they have none. Government cut off all sources of money like social security, unemployment, all resulting in critical medical condition having diabetes. Disbursing my money owed by law I'm in control of my destiny, health, welfare, & family. Oppression to keep me from being a billionaire by not paying denies Human Rights. [ By law as well as my ORDER you must pay for the imposed slavery, denial of the guaranteed right to Freedom of the Press to conceal this from the public, preventing the Constitution's checks & balances to prevent you from being held accountable for criminal charges, all reason to immediately pay because refusal violates Title 18 sec. 241 in cahoots violating the Constitution & Laws of the U.S.**

**Treasury Office of Legislative Affairs / Advises the Secretary on congressional relations matters in order to assist in the formulation of policy and determining the overall direction of the Department. [ Advise should be to disburse the money owed having the trust of the public they would be paid entrusting that authority to abide by the law. The criminal act is seen online at [apcalledtoexposecorruption.blogspot.com](http://apcalledtoexposecorruption.blogspot.com) ] Jesha Miller is empowered to hold Congress accountable for the checks & balances as well as hold the Treasury accountable for continued oppression. This office serves as Principal contact and coordinator for all Department interaction with Congress & Congressional Relations offices in the White House & other departments & agencies. YOU ARE ORDERED TO SERVE BOTH CONGRESS & THE PRESIDENT WITH THIS ORDER FOR CONGRESS TO IMMEDIATELY HOLD PRESIDENT BIDEN ACCOUNTABLE FOR THE CHECKS & BALANCES & CONTINUED OPPRESSION FAILING TO DISBURSE MONEY OWED BY THE RULE OF LAW. Send over immediately.**

**Treasury Office of Financial Stability - Promotes economic recovery. [ By law Oppression of a people requires immediate restoration by paying the money owed for imposed slavery & continued oppression going from 50 million to 3.141 billion to 6.085 billion because of the Racism, denying the rule of law. [youtu.be/rFwK1SrnfsY](https://youtu.be/rFwK1SrnfsY) Jesha Miller owed 3.141 Billion dollars & checks & balances.**

**Treasury Office of Financial Research / Improving quality, transparency, Promoting the best practice. The best practice is to have the integrity to pay the citizens owed, no matter what color or race. The people pay in 3 trillion dollars a year of which you're entrusted with authority of which cannot be abused refusing to pay to keep subordinate. A billionaire is another level of which you've deprived me, the public, by use of housing and more jobs, and banks to promote more business. in a pandemic this money protects my family from lack of food, clothing, medical needs, & shelter. Currently I got eviction notice, repo notice, VECTREN UTILITY OWED, can't pay Verizon who wants every penny now or no service, My nieces & nephews need cars & there's no woman without no money. Inform the public I'm officially a billionaire for TRANSPARENCY and deliver in Brinks Trucks, straight cash homie. [ Note to Secretary Janet Yellen: You are ORDERED to Disburse 6.085 billion dollars to Veteran Jesha Miller for the Judicial Branch imposing slavery prohibited by the 13th Amendment owing this money by the rule of law, a miscarriage of justice. Government has never wanted to pay a Black man. Refusal to pay immediately to stop continued oppression is a criminal act under Title 18 sec. 241 - conspiracy to deny rights &**

oppress. OPPRESS meaning to keep someone in subservience and hardship, especially by the unjust exercise of authority. Refusal is RACISM, and violates human rights by denying the rule of law. Due to continued oppression the debt rose to 6.085 billion dollars when the initial debt was 50 million dollars. Even more serious is government evaded the checks & balances which attempts to conceal the checks & balance so they're not held accountable for the crimes pursuant to Title 18. ] My status quo socially is my net worth is 6.085 billion dollars by the rule of law. My status quo politically is I'm empowered to uphold the integrity of the Constitution being the Petitioner of the checks & balances. Status Quo means the " existing state of affairs, especially regarding social or political issues. Congress evaded the checks & balances which are mandatory by law & President Joe Biden cannot taking oath to uphold the integrity. { There is no integrity unless the Judicial Branch is checked for corruption & abuse of power. Because they refused I automatically win. Game been over because the checks & balances are supported by irrefutable evidence online with the Petition at [policebrutalitysolution.blogspot.com](http://policebrutalitysolution.blogspot.com) with Evidence the U.S. Supreme Court itself imposed slavery, an act against the law.

**Law Enforcement must execute the indictments & arrest.**

I have the authority to give orders, make decisions, and enforce obedience of which requires Law Enforcement to execute the indictments & arrest filed in Federal Court. This is Law Enforcement role in upholding the Constitution. Refusal allows White Supremacy whereas officials are not held accountable for criminal acts. All officials will be held accountable for aiding & abetting criminals from justice, preventing the checks & balances which holds them accountable, and TREASON meaning to overthrow the government.

Lt. Sheriff Matthew Cord refused to execute such ORDER to arrest media Celeste King, Bob Freeman, & Blaine Fentress, all who concealed the checks & balances violating the citizens right to speech - press to conceal government corruption, oppression, & slavery.

Sheriff Kerry Forestal refused to arrest Governor Eric Holcomb for concealing the checks & balances, a criminal act under Title 18 sec. 1001 & prevent the checks & balances because Indiana is the Principal culprits, transcripts affirm it to be FACT Indiana, Vanderburgh County Court Judge David Kiely overruled BOTH THE FEDERAL & STATE Constitutions imposing an all white Jury. Title 18

**sec. 1001 - whoever in any matter within the Jurisdiction of the executive, legislative, or judicial branch of government in the United States, knowingly and willfully ( 1 ) falsifies, conceals, or covers up by any trick, scheme, or device a material FACT, shall be fined under this Title, imprisoned not more than 5 years. Checks & balances are a material FACT, concealed by Indiana Governor Eric Holcomb, the email calls for Eric Holcomb to inform the public & to this date he has concealed it to run a corrupt government in Indiana & aids & abets criminal officials from justice.**

**Acting Police Chief Robert Contee of DC Metro refused to arrest Senator Todd Young, Steven Mnuchin, & Congressman Larry Bucshon for violating Title 18 sec. 1001, concealing the checks & balances. Included now is Mayor Muriel Bowser who refused to take the checks & balances to President Biden to also conceal the checks & balances proven by emails.**

**[ The result of Law Enforcement refusing to execute their duty is we have no rights unless they are enforced. The crooked Judges are still in office, government fails to acknowledge the checks & balances to uphold the integrity of the Constitution, the people are entitled to equality, freedom & justice are unfulfilled of the guaranteed rights of the Constitution & the officials go unpunished because they are not held accountable for the criminal acts of oppression. I'm not paid for the government imposing slavery. The result is a crooked government under disguise of Democracy. Governor Eric Holcomb must be held accountable for concealing the checks & balances so officials are not held accountable. ]**

**Speaker Nancy Pelosi was called to inform the public of the checks & balances having evidence the entire Judicial Branch is corrupt & she used Congressional Courtesy as an excuse & after giving Larry Bucshon, Todd Young, & Mike Braun the courtesy & opportunity to take the checks & balances to the floor of the House & Senate which they refused it fell back to Nancy Pelosi who has said nothing, concealing government corruption in violation of Title 18 sec. 1001 and 241 - conspiracy to deny rights & oppress.**

**Evansville Police Chief Billy Bolin is now ORDERED to execute the indictments & arrest assignment editors Blaine Fentress of channel 44, Celeste King of channel 14, & Bob Freeman of channel 25 for denying the 1st amendment right to freedom of speech - press used by the citizen to expose government corruption & officials.**

**Leader of Indiana Sheriff Association - Stephen Luce is ORDERED TO ARREST Governor Eric Holcomb in violation of Title 18 sec. 241 - Conspiracy to deny rights, preventing the checks & balances, & continued oppression by refusing to expedite my unemployment, a malicious act to terminate my existence of life.**

**Concealing the checks & balances which uphold the integrity of the Constitution in violation of Title 18 sec. 1001.**

**[ Special Note to : Indiana BMV // Reinstate Drivers license number 8920 83 1034 due to Indiana government corruption immediately. Jesha Miller is Petitioner of the Constitution's checks & balances of which officials retaliate by taking my Drivers License when Billy Bolin was informed to cease any contact with me. I received a ticket for speeding 10 miles over the speed limit. Government cannot enforce the law when they themselves refuse to honor the checks & balances running a corrupt government. ]**
